MEMORANDUM FOR: Legislative Counsel

THROUGH: Deputy Director (Support) H.G.L.

SUBJECT: H.R. 9687, A Bill to Provide an Income Credit in the Case of Civil-Service Annuities Received by Non-resident Alien Individuals not Engaged in Trade or Business Within the United States

1. Subject measure would authorize an income tax withholding credit to be applied against Civil Service Retirement annuity payments paid to nonresident aliens who are not engaged in trade or business within the United States.

2. This Agency does have in its employ Career Agents who are non-citizens and who might fall within the group of individuals to be covered by this proposed legislation. Although the legislation would be beneficial so far as the group is concerned, our interest in the matter is not sufficiently great as to necessitate a disclosure of Agency interest; consequently, no Agency position or interest is recommended. It is requested, however, that this Office be kept informed as to any subsequent developments and progress concerning the bill.
